

LoopBook 14 Service and User Manual · Synthetic Edition

Synthetic training document for LoopLine Resolve AI. No real customer or company data.

Product identifiers

Model: LB14. Serial format: LLB14-[A-Z]####. Battery part: LB14-BAT-03. Hinge kit: LB14-HNG-02.

Power indicator

A white pulse indicates sleep. Three amber flashes indicate insufficient charge. No indicator may reflect charger, battery, or mainboard faults.

Hinge inspection

Request left, right, rear, and fully-open views. A partially obstructed photograph is insufficient to distinguish impact damage from fastener failure.

Liquid indicator

A red liquid-contact indicator supports exposure evidence but does not establish when the exposure occurred.

Battery warning

A raised trackpad or separated lower cover may indicate internal swelling. Stop use and follow the safety handbook.
