

NovaPhone X1 Service and User Manual · Synthetic Edition

Synthetic training document for LoopLine Resolve AI. No real customer or company data.

Product identifiers

Model: NP-X1. Serial format: NPX1-A####. Display assembly part: NPX1-DISP-01. Battery part: NPX1-BAT-02.

Display damage

A visible crack may affect touch or display output. Photographs cannot establish internal connector damage. The repair technician should run the display diagnostic after intake.

Battery location

The battery occupies the central rear section beneath the display. Customers must not open the housing.

Reset procedure

Hold the side button for twelve seconds. This procedure is not appropriate when swelling, smoke, or unusual heat is suspected.
